Letter No Rn 6 325 S-/40-41 dated 25th Aug 1942.

States that three additional Sweepers were entertained without proper Sanction from the year 1938-39 when the boundaries of the Municipality were extended and requests for reasons stated that the action of the Municipal Council in having continued the extra staff upto the end of 1941-42 may be ratified.

2/ The explanation furnished for the increase in the staff of Sweepers in the Doddaballapur Municipality, without proper Sanction being obtained therefor by the Municipal Council is not convincing.

3 The additional Staff of three Sweepers (one on Rs 10/- and 2 on Rs 8/- p.m.) has been continued for three years from the year 1942-43 (vide Fl 0). Sir

I have the honour to state that the Amildar President of the Dodballapur Town Municipality, has solicited the sanction of Government to the proposal of the Municipal Council to increase the existing number of sweepers by three on the ground that the existing staff is inadequate to discharge the sanitary duties of the Town whose boundaries have since been extended in Government notification No L F 28/41 81 32 2 dated 22nd July 1939 and that the total length of the roads comes to about 20 miles The increased cost on this account is proposed to be met out of the provision made in the budget for the year 1940-41

2 In these circumstances sanction of Government may kindly be obtained for the entertainment of two sweepers on Rs 8/ per mensem

Subject:- Increasing the conservancy Staff in the Doaballapur Town Municipality - forwards further report on the -

With reference to your letter No 4373 dated 10 12 41 on the above subject I have the honour to state as follows:

The boundaries of Doaballapur Town were extended in the year 1933 as per Government Notification No 723-41 31-33-2 dated 22 7-1933 The number of Sweepers and scavengers before 1 9 1933 was 21 and 2 respectively involving an expenditure of Rs 219/- per mensem in the aggregate Now there are 24 sweepers and 2 scavengers resulting in the increase of 3 sweepers at an additional expenditure of Rs 21/ p m as shown in the enclosed proposition statement

2 An extract from the sanctioned scale register is enclosed for favour of perusal It is seen therefrom that sanction of Government has been obtained from time to time to the appointment of 2 scavengers and 21 sweepers The three additional sweepers were entertained after the extension of boundary on the strength of budget provision The question has been discussed in the Council meeting held on 23 3 42 at length and the Municipal Council have resolved that the extra staff is necessary in the interest of better sanitation of the town and have accordingly admitted the expenditure incurred The Municipal Council now request the ratification of their action in having continued the extra staff without competent sanction

3 The marginally noted Officers were the Amildar Presidents of the Municipality during the period in question None of them is working in this District now The present Amildar President reports that from a

Messrs
1 G Venkatasubbiah from 1-7-36 to 30-7-33
2 B Narayenaswamy B A 31 7-33 to 13 9-40
3 M Jazeer Ahmed B Sc 14-9-40 to 16-2 42

a reference made to the Minute Book it is seen that in the strength of the resolution of the Council and the provision made in the sanctioned budget the additional expenditure is being incurred though irregularly and with recrudescence of such irregularities will be avoided and requests sanction to the extra expenditure already incurred

The continuance of the above additional sweepers for a period of 3 years from 1 7 1942 has since been sanctioned by Government in their order No 1572-41 TI 1 42 7 dated 4-3-1942 among other things In these circumstances I request that orders of Government may be kindly obtained ratifying the action of the Municipal Council in having continued the above staff up to the end of 1941 42
